**POLICIES**

## GRANT PAYMENTS

Checks will be issued on a quarterly advance basis, contingent upon compliance with reporting requirements. Grantees should receive checks within 14-21 days after the due date of the Financial Status Report. If the grantee has a **staff change, change of address, or phone/fax number change**, the Attorney General's Office must be notified in writing within 10 days on grantee letterhead.

## ADVANCE/EMERGENCY FUNDS

If for any reason a grantee requires an advance or shorter turn-around time, a need of emergency funds can be requested. To make this request, a letter must be faxed to the Attorney General's Office at (785) 296-7796 which time the following criteria will be considered by staff:

1. The number of times in which a request for emergency funds has been made previously.
2. The timeliness and correctness of all grant reports (both Financial Status Reports and any Statistical or Grant Project Narrative Reports).
3. The amount of funds being requested for the immediate advance.
4. The need for the grantee to receive funds immediately
5. The grantee's reserve amount and why the reserve cannot be used temporarily.
6. What efforts the grantee is making to build up a sufficient reserve.

It is the grantee's responsibility to address numbers 3, 4, 5, and 6 in the request. The grantee will be notified by phone with the Attorney General's decision.

## GRANT REPORTING INFORMATION

The following policy is to be applied to any grant reporting requirement set forth by this office. However, each grant program administered by this office has its own unique reporting requirements, so please refer to each individual report to find the appropriate due dates and instructions.

All reports received by this office that are **complete and correct** on or before the date that they are due will be issued a check, as long as funds are available from the appropriate state sources and as long as the grantee is in compliance with all grant awards received from this office. Any grantee submitting a late, incorrect, or incomplete report will not receive a check until the next batch of checks are issued for that particular grant program. **Complete and correct** reports must be received by 5:00 p.m. on the date that it is due. If this date falls on a Saturday, Sunday, or State Holiday, the report(s) may be submitted by 5:00 p.m. the next working day following that due date.

In any reporting period in which no expenses were incurred or no activity took place, the required reports must still be filed in a timely manner with the Attorney General's Office. If no expenses were incurred, report a zero for the period in question. If no activity took place or no services were provided, report zero statistics and state why no activity took place for the period in question.

If the grantee incurs obligations during the final grant reporting period that will be paid in the first month following the end of the grant project period, the grantee may mark the Financial Status Report as **"NOT THE FINAL"** report, reflecting those obligations appropriately. Upon expenditure for those obligations, the grantee will submit a **"FINAL"** Financial Status Report reflecting it as "Period Expenditures" in the first month following the end of the grant project period.

A grantee may fax its grant reports in order to comply with meeting the reporting deadline. **The fax number is (785) 296-7796. Please limit faxes to 10 pages.** The faxed report must have all the required signatures and be received by 5:00 p.m. on the date it is due. This office will **not** consider a faxed copy of a report to be timely if it is incomplete, lacking one or more signatures, or incorrect. Checks will not be issued for those not complying with this policy of faxing reports. **If a grantee chooses to fax a report, please do not follow it with a mailed copy.** The only documentation that must be mailed with original signatures is the Grant Assurances Form.

A grantee may request in writing an extension to submit a report late. Only under extreme circumstances will exemptions be allowed, i.e. medical emergencies, etc. If a letter is received before or on the due date of the report, a check may still be issued. The check will then be mailed upon submission of the report. A staff member of the Attorney General's Office will contact the grantee by phone to discuss the time line for the extended report and grant payment.

## BUDGET REQUESTS/REVISIONS

Any modification, to the grantee's budget upon grant award notification exceeding **10%**, as described below, must first be approved by the Attorney General's Office. The procedure for receiving a budget revision follows:

Revision Request – Reallocation of dollars between approved line items in the grantee's grant project budget upon grant award notification is allowed one time without prior approval up to **10%** of the total line item cost that the funds are taken from, provided the change does not affect the scope of the grant project. However, a revised **Budget Summary Form and Budget Narrative** must be submitted to the Attorney General's Office 10 days prior to the effective date of the change. This rule does not apply to line items in the Equipment budget category.

Any modification made to the grantee's approved grant project budget that exceeds the **10%** rule or a modification in the Equipment budget category must first be approved by the Attorney General's Office. The Attorney General's Office defines equipment as assets with a useful life of one year or more and a purchase cost of \$100 or more. A written request should include an explanation of the **need** for the revision and the **amount** of grant funds that will be re-appropriated. Budget revisions may only be requested within line items previously approved; funds cannot be moved into a new line item during the grant project period except under extreme circumstances. Please remember these grant project funds cannot be used to reimburse mileage expenses in excess of \$.33 per mile. If the Grantee chooses to reimburse at a rate in excess of this amount, the Grantee should be aware that no grant funds administered by the Kansas Attorney General's Office can be used to make up the difference. Grant project funds cannot be used to attend conferences/meetings/etc. that occur outside the United States.

Budget Summary Form – Attach to the budget revision request a revised Budget Summary Form(attached) reflecting the new requested budget. This form must be filled out completely and signed by a Grantee Representative for the request to be considered.

Budget Narrative – Attach to the budget revision request a revised Budget Narrative reflecting the new requested budget.

Approval/Denial – The Attorney General's Office will respond in writing to the grantee's request within 30 days. A request for a budget revision may be approved as requested, it may be partially approved, or it may be denied.

There is no limit to the number of budget revisions a grantee can request. However, frequent or repeated requests may raise concerns in regard to the grantee's budgeting practices. **No budget revisions may be requested during the final 30 days of the grant project period.**

An approval to allow a budget revision is effective as of the date of the approval letter. If the grantee requires the budget revision to be retroactive, or effective on a prior date, then the grantee must make that need clear in the original revision request.

## **EQUIPMENT PURCHASES**

All equipment purchased with grant funds must have been included in the grantee's approved budget prior to the purchase. The Attorney General's Office defines equipment as assets with a useful life of one year or more and a purchase cost of \$100 or more. The grantee shall follow its agency written policies and procedures in regard to purchasing approval, needs assessment, bidding, etc. when purchasing equipment. For each equipment purchase, the grantee must provide the Attorney General's Office by mail or by fax, (785) 296-7796, with the following information within 30 days of the purchase date.

- Description of the Equipment
- Serial Number or other Identification Number
- Source of the Equipment
- Identification of Who Holds the Title
- Acquisition Date
- Cost of the Equipment
- Cost charged to Grant
- Percentage of Grant Fund Participation in the Cost of the Equipment
- Location of the Equipment
- Use and Condition of the Equipment

An Equipment Inventory Form is attached that includes all of the information listed above. It is the grantee's responsibility to maintain inventory records that can be reviewed at any time by the Attorney General's staff. In addition, the grantee is responsible for providing justification as to the need and use of the equipment. The amount of time the equipment is used for the grant project must be equal to or more than the percentage of the purchase cost that was covered by grant funds. In some instances, this may lead to the need for a usage tracking system to be in place, however, that is at the grantee's discretion to use such a system.

## AUDIT REQUIREMENT

The Grantee assures that a current financial audit, or a time line for the completion of a financial audit, will be provided to the Kansas Attorney General's Office. Further, the Grantee will submit within 30 days of receipt any findings and/or recommendations stated in the audit or in the Letter to Management, including a written explanation stating how the findings and/or recommendations were, or will be, addressed by the Grantee.

The Attorney General's Office requires an audit to be conducted on any organization receiving grant funds. At a minimum, a financial statement audit must be provided over the most recent completed fiscal period following the requirements prescribed in OMB (Office of Management and Budget) Circular A-133.

There are three types of services that an independent accountant may perform for an organization: a compilation, a review, and an audit. A compilation is simply the preparation of financial statements, but they are unaudited, unreviewed, and provide no assurances. A review requires some analytical procedures to be performed, but offers a limited assurance. An audit includes the performance of analytical procedures, evaluation of evidence, and provides positive assurance regarding the financial statements presented.

**This office does not accept compilations or reviews as substitution for an audit report.** For organizations expending \$300,000 or more in federal funds during their fiscal year, a Single Audit is also required as stipulated in OMB Circular A-133. Grantees that do not provide sufficient information regarding their audit with their grant application will receive Special Conditions attached to their grant award in order to comply with these requirements.
